

Back-to-Back 🎵

🎵 To the tune of *Cheek-to-Cheek* 🎵

Haven, oh tax haven  
With you I feel my tax plans are on track  
And I've found the joy I somehow used to lack  
When I'm structuring investments back-to-back

Haven, oh tax haven  
It's easy once you finally get the knack  
And the tax you'll save is money by the sack  
When you structure your investments back-to-back

🎵 🎵 Bridge 🎵 🎵

*Oh I'll earn a million dollars  
And pay not one cent of tax  
You can do the most amazing things  
When using back-to-backs*

*Tax-free is such a wonderful word  
No charges incurred  
I'm free as a bird*

Haven, oh tax haven  
My plans are now immune from all attack  
And my balances are fairly in the black  
'Cause I've structured my investments back-to-back

—Bruce McCrae

🎵 Sung by Fred Astaire in the movie *Top Hat* (1935).
